## MISSIONS & MINISTRY HIGHLIGHT

Ebsa became a Christian 25 years ago. He felt called to be a missionary to a community far from his home, where 8,000 people have since come to Christ. Now, through a partnership with Global Disciples, he is training others to be

missionaries. Ebsa and his team have an ambitious ten-year plan to send out 80 missionaries, plant 100 churches, and bring 70,000 people to Christ. **“This is totally beyond my capacities and resources,”** says Ebsa, **“But it’s not beyond God’s. So I just keep bringing it before God with expectation and stubborn prayer.”**
